The approval as the planning authority issued it, reproduced in full behind this page.

- Elevation:** Shows the front facade of the building with dimensions for height (3.00m, 3.00m, 3.00m) and width (5.39m, 5.62m). It includes a parapet wall and a weathering course.

- Terrace Floor Plan:** Shows the layout of the terrace, including the parapet wall, open terrace (5.16x10.81), and various beams.

- Site Plan:** Shows the building's location within a plot, including the 9M wide road, parking area, and various setbacks.
- Foundation Details:** Includes details for the column foundation, including the column, footing, and various reinforcement details.
- Other Details:** Includes details for the compound wall, septic tank, and rain water harvesting system.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
