3.	Two Wheelers Parking	16	28	33
4.	PCP Two Wheelers Parking	2	5	
5.	Cycle Parking	16	30	30

Special Conditions:

1. It is the responsibility of the builders to ensure safe bearing capacity of the soil and adequacy of the foundation.
2. Conditions mentioned in the No Objection certificates obtained from the central and state Govt. Departments must be followed scrupulously.
3. Planning Permission is issued in accordance with the provisions of the Town and Country Planning Act and the rules made there under and do not cover the structural stability aspects including the safety during the construction which are covered under the Building Rules under the Local Bodies Act. Planning Permission is issued subject to the condition that the applicant / developer and also the architects / Licensed Surveyors and the Structural Engineer associated with the development shall ensure that developments shall be structurally sound and adequate safety measures are taken during the process of construction.
4. Applicant should obtain consent from Tamil Nadu Pollution control Board under Section 25 of the Water Act 1974 for discharge of sewage.
5. According to the Circular No. 12544 / 14 / CB dated: 04.07.2014, The Directorate of Town and Country Planning Department has not legally certified the title of the ownership by granting technical clearance or planning permission. Only the applicant's entitlement to develop is verified through the documents submitted with the applicant's application (lease deed, sale deed, gift deed, etc). Any person wishing to purchase the property must individually ascertain ownership of the property to the applicant. Also, if anyone else arises/ dispute individual rights over it, they can settle it before the appropriate legal forum. The Directorate of Town and Country Planning Department is not the appropriate organization to decide on this.
6. The provisions in the G.O (Ms) No.17, Housing and Urban Development (UD4(3)) Department dated: 05.02.2016 relating to installation and use of solar energy system should be followed.
7. It is only the responsibility of the builders to ensure the stability of the Building.
8. As per Rule No. 9(1)(f) of Tamil Nadu Combined Development and Building Rules 2019, Before the Commencement of the Building work at site for which building permission has been granted, the owner shall within the validity period of building permission give notice

to the authority, of his intention to start the work at the building site in Form.2 in Annexure – XIV. And also, when the building construction reaches the Basement Level; Progress Certificate Form - 3 should be submitted as per rule no.9 (2)(b).

9. According to G.O No 18 Municipal Administration and Water Supply Department, dated.04.02.2019, Construction continuation certificate should be obtained from this office for the planning permission approved building at the time of Plinth Level itself. After Completion of the building works at site, the Completion Certificate to be obtained from this Department by the applicant. By getting this Completion Certificate only, the builder can have regular utility connections.
10. As per GO cited in the reference 14, Commercial, industrial and institutional building exceeding 300 sq.m Floor space index area, a minimum of ten percent (10%) of car or Two-wheeler parking spaces shall be earmarked for electric vehicles and shall be provided with fast charging points.
11. If the proposed site is located in the land acquisition area related to Railway Department Project and Highway Department Project, the technical approval given by the Department shall be cancelled by the Department without any prior notice.
12. The Building shall not be used for the purpose other than for witch the concurrence / Permission is issued.

Conditions:

1. After the Joint Director, Tirunelveli District Town and Country Planning Office has issued the Planning permission / concurrence, if it is found subsequently that wrong information has been submitted by the applicant to obtain the planning permission or the conditions stipulated in the concurrence order have not been followed, the Joint Director has the right to change or cancel the planning permission based on the above reasons.
2. In case the documents submitted for approval found fake the Technical Concurrence / Planning Permission would be cancelled without any intimation to the applicant.
3. The planning permission is valid for eight years from the date of issue. Period of Planning Permission will be from 28.10.2026 to 27.10.2034 (8 years).
4. Solar Water Heating System should be installed in the proposed construction of Industrial Building
5. Parking as suggested in the building should be utilized as it is in the approved building plan.

6. The setback spaces should be fixed accordingly as seen on the plan sanctioned and mentioned therein.
7. The Proposed construction of Industrial Building should be built without change of use or any deviations. If any deviations/additions or changes in plan is required, revised plans shall be submitted and new Planning Permission should be obtained. In case of failure, action will be taken under section 56 of Tamil Nadu Town and country planning Act 1971.
8. Rain water harvesting facilities as shown in the Approved building plan must be implemented as per G.O. No.18, Municipal Administration and Water Supply Department, dated:04.02.2019.
9. Owner/occupier should provide adequate drinking water facility and a separate vehicle should be used to discharge the sewage water from the proposed construction of Industrial Building by his own expenses.
10. The drinking water over head tank, well and Bore well located in the plot should be equipped with preventive measures.
11. Fire prevention and fire fighting equipment should be provided in the proposed construction as required by law.
12. As per G.O.No.341, Municipal Administration and Water Supply Department, dated:03.11.2004, "U" Trap should be installed in septic tank.
13. Fly ash Bricks and Materials should be used in the proposed building as per Environment and Forest Department Notification.
14. G.O.17, Housing and Urban Development Department, dated: 05.02.2016, Solar Photo Voltaic Panels should be installed at least 1/3 of the upper floor area for one Kilowatt of electricity.
15. Government Registered Electrical Contractor must be employed for wiring works during construction.
16. The concerned local body should ascertain whether there are any pending court cases against the proposed site before issue of final approval.

As per Rule No.11 of Tamil Nadu Combined Development and Building Rules 2019:

The Permission granted by the competent authority shall not mean responsibility or Clearance

of the Following aspects,

(a) Title or Ownership of the site or Building

(b) Easement Rights.

(c) Structural Reports, Structural Drawing and Structural aspects. The Registered Architect or Registered Engineer and Structural Engineer on Record as the case may be, shall be responsible for defects in the design.

(d) Workmanship, Soundness of Structure and Materials used.

(e) Quality of Buildings Services and amenities the construction of Building.

(f) Other requirements or Licenses or Clearances required for the site or premises or activity under various other Laws.
