APPROVAL RECORD

Planning Permission

Coimbatore district, Tamil Nadu

APPROVAL TYPE
Building Plan

ISSUING AUTHORITY
Rural Panchayat

The approval as the planning authority issued it, reproduced in full behind this page.

An approval speaks to what was sanctioned, not to what was built. Completion is a separate record.

The image contains two architectural drawings of a building. On the left is the 'FRONT ELEVATION', showing a single-story structure with a flat roof, a central entrance with a door and stairs, and two windows with yellow panes. On the right is 'SECTION ON A-B', a cross-section of the building. It shows the internal structure including the roof slab, brick walls, sand filling, flooring, concrete, and floor finish. Dimensions are provided for various components: roof slab (1.6m), brick wall (9" thick), sand filling (3.05m), flooring (0.6m), concrete (1:4:8), and floor finish (0.05m). The section also shows the foundation and ground level (GL).

A compass rose with a circle divided into four quadrants. The top half is shaded with horizontal lines and contains the word "NORTH". The bottom half is white. Below the compass rose is a reference arrow pointing to the right, consisting of a horizontal line and a vertical line meeting at a point.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
