APPROVAL RECORD

Planning Permission

Coimbatore district, Tamil Nadu

APPROVAL TYPE

Building Plan

ISSUING AUTHORITY

Rural Panchayat

The approval as the planning authority issued it, reproduced in full behind this page.

An approval speaks to what was sanctioned, not to what was built. Completion is a separate record.

The drawing consists of two parts. On the left is the 'FRONT ELEVATION' of a building. It has a central entrance with a pediment supported by two columns. To the left of the entrance is a window with a grid pattern, and to the right is another window with a grid pattern. Above the entrance is a small porch with a pediment. The building is shown with a foundation and a small tree to the left. On the right is the 'ELEVATION' of the building, which shows a single door with a pediment and a window to its right. The drawing is labeled 'FRONT ELEVATION' and 'ELEVATION'.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
