APPROVAL RECORD

Planning Permission

Coimbatore district, Tamil Nadu

APPROVAL TYPE

Building Plan

ISSUING AUTHORITY

Rural Panchayat

The approval as the planning authority issued it, reproduced in full behind this page.

An approval speaks to what was sanctioned, not to what was built. Completion is a separate record.

This architectural drawing shows a side elevation of a building. The facade is composed of several horizontal bands. A prominent diagonal structural element, possibly a ramp or a large overhang, cuts across the middle of the building. Below this element, there is a set of double doors. To the right of the doors is a single vertical door. A horizontal line with a small circle at its left end indicates the ground level. In the foreground, there are several horizontal lines representing a set of steps or a platform leading up to the building.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
