Centage Charges - Rs. 12300.00 Dated: 08.06.2023.

Conditions:

1. The permission granted by the competent authority shall not mean responsibility or clearance as per TNCDBR 2019 Rule No.11 of the following aspects
a) Title or ownership of the site or building.
b) Easement Rights.
c) Structural Reports, Structural Drawing, and Structural aspects, The Registered Architect or Register Engineer and Structural Engineer on record as the case may be, shall be responsible for defects in the design.
d) Workmanship, soundness of structure and materials used.
e) Quality of building services and amenities during the construction of the building.
f) Other requirements or licenses or clearance required for the site or premises or activity under various other laws.

2. Alteration of plot sizes, layouts of roads, dimensions, common allotment sizes and further subdivision of plots contrary to the map approved by the Town and Country Planning Department shall not be done without the prior approval of the Town and Country Planning Department.

3. Corners of the plot located at the junction of two roads should be laid with the splay shown on the approved map.

4. No plot shall be sold, leased, or transferred in any other manner or any building shall be constructed on any plot before the fulfillment of the above two conditions.

5. Any plot shown on the approved map shall be used only for the construction of residential houses other than plots selected for public purposes. Also, only where the change of land use is requested, only those mentioned in the Residential Use mentioned in TNCDBR-2019 should be allowed by the local body only after obtaining the prior approval of the Town and Country Planning Department.

6. If a low voltage/high voltage power line/telegraph line is laid through the layout, the line should be shifted to the edge of the road or as shown on the approved Layout plan.

7. The hollow portion of the layout should be raised to street level.

8. On all streets exceeding 7.2 meters in width, shade trees shall be planted within 1.00 meters of the road boundary not exceeding 9.00 meters in succession.

9. The petitioner should obtain approval from the local authority concerned for the layout. Before constructing any buildings on the land in the subdivision, permission for each building must be obtained from the Town and Country Planning Department and the local body.

10. a. Since only Technical Sanction has been given to the said layout by the Town and Country Planning Department, if there is any problem regarding the right of land for the layout, the local body should consider and take a decision.
b. When the said layout is approved by the local authority, a copy of the approval authority's presence action should be sent to this authority. Evidence of handing over public spaces to the local body should also be attached.

11. Once permission is obtained from the petitioner Town and Country Planning Department and approval of the layout plan from the local authority, the approved layout plan shall be permanently published at the location where the layout has been approved without any change/omission through a permanent information board at the entrance of the layout for public viewing and also clearly indicating the date and resolution number of the board of approval of the layout.

12. The land Ownership is considered as per the land title documents submitted by the petitioner. Therefore, it is also submitted that no right can be asserted on the ground that a layout has been approved for a place where there is no actual land Ownership.

13. If the proofs given regarding the land license and the documents submitted for consideration are known to be incorrect or if there is a situation where the planning permission/concurrence approval for the layout may be affected, Technical Sanction approval given to the layout will be cancelled by the Town and Country Planning department without any prior notice.

14. A copy of the plan approved by the Town and Country Planning department along with a copy of this order shall be compulsorily supplied to the purchasers while selling the plots for sale.

15. If any case is pending in the field numbers where the layout is situated, the approval given to the layout will be cancelled without any prior notice and action will be taken.

16. Before giving final concurrence, the local body should check the site whether it is levelled to road level. After confirming the site is levelled to road level, give final concurrence.
