Special Conditions

1. The conditions imposed in the Fire NOC cited in the reference no. 16 should be followed.
2. It is responsibility of the builders to ensure safe bearing capacity of the soil and adequacy of the foundation.
3. Conditions stipulated in the No Objection certificates obtained from the central and state Government Departments must be fulfilled scrupulously.
4. Planning Permission is issued in accordance with the provisions of the Town and Country Planning Act and the rule are made there under and do not cover the structural stability aspects including the safety during the construction which are covered under the Building Rules under the Local Bodies Act. Planning Permission is issued subject to the condition that the applicant/developer and also the architect/Licensed Surveyors and the Structural Engineer associated with the development shall ensure that developments shall be structurally sound and adequate safety measures are taken during the process of construction.
5. Applicant should obtain consent from Tamil Nadu Pollution control Board Under Section 25 of the Water Act 1974 for discharge of sewage.
6. The Directorate of Town and Country Planning has not legally certified the title to the ownership by granting technical clearance and planning permission. Initial verification of the documents (lease deed, sale deed, gift

deed, etc) submitted by the applicants is being verified for the applicants entitlement to develop in the site.

If any person wishes to purchase the property must individually ascertain the ownership of the applicant's property. Also, if anyone else claims rights over the property, they can settle it before the appropriate competent court. The Directorate of Town and Country Planning Department is not the right organization to decide on this.

7. The provisions in the G.O (Ms) No.17, Housing and Urban Development (UD4(3)) Department dated: 05.02.2016 relating to installation and use of solar energy system should be followed.

General Conditions

1. Solar water heating system to be provided to the proposed industrial building. Solar photo voltaic panels to be erected at the 1/3rd portion of total terrace area.
2. Parking area to be utilized only for parking purpose mentioned as per approved drawing.
3. No additions /alterations to be made without necessary permission of this office. In case any alterations required proper revised approval should be obtained.
4. Rain water harvesting should be provided as per the directions mentioned in TNCDBR -2019 annexure.
5. Applicant should arrange to dispose sewage by vehicle at his own cost and necessary drinking water provision to be provided at applicant's own cost.
6. Mosquito netting to be provided at OHT and well.
7. Fire rescue equipments should be provided as per Rules
8. As per G.O. No.341 MAWS dated: 03.11.2004 "U" Trap in the septic tank design to be provided.
9. Applicant should obtain constant from Tamil Nadu Pollution Control

Board under Section 25 of the Water Act 1974 for Discharge of sewage.

10. Fly Ash bricks and materials must be used for construction.
11. As per G.O. No. 18, Department of Municipal Administration and Water Supply, dated.04.02.2019 a display board of size 60cm x 120 cm to be erected which shows site details, building details and municipality engineer details at the place of construction.
12. The local authority shall accord permission duly following the rules / regulations/ Orders issued from time to time under the respective acts.
