APPROVAL RECORD

Planning Permission

Mayiladuthurai district, Tamil Nadu

APPROVAL TYPE

Building Plan

ISSUING AUTHORITY

Rural Panchayat

The approval as the planning authority issued it, reproduced in full behind this page.

An approval speaks to what was sanctioned, not to what was built. Completion is a separate record.

ALL DIMENSIONS ARE IN METER SCALE 1 : 100

The image contains two architectural drawings: an elevation and a section.

ELEVATION: This drawing shows the front facade of a building. It features a central section with a grid of square windows. Above this section is a smaller, solid rectangular area labeled "HEAD ROOM". Dimensions are indicated with arrows: a vertical height of 2.75 for the head room, a horizontal width of 1.68 for the head room, a vertical height of 4.53 for the main window section, and a vertical height of 3.78 for the lower part of the main section. The ground level is marked as "G.L. 0.60".

SECTION: This drawing shows a cross-section of the building. It includes a "Parapet" at the top, a "Weathering course", and an "R.C.C roof slab 1:2:4". The section shows the internal structure, including walls and floor slabs. Dimensions are indicated with arrows: a vertical height of 0.75 for the parapet, a vertical height of 1.21 for the weathering course, a vertical height of 3.05 for the main section, and a vertical height of 3.05 for the lower part of the main section. The ground level is marked as "G.L.". A legend on the right side of the section drawing identifies the layers: "Floor finish", "Floor concrete", and "Sand filling".

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
