The Above building approval u/s 47 of Tamil Nadu Town and Country Planning Act 1971. The Technical Concurrence issued with the following Special and General Conditions:-

Special Conditions:-

1. Planning permission is granted in accordance with the Town & Country Planning Act's guidelines and any rules that have been made thereunder. It does not address structural stability issues, such as safety during construction, as those are dealt with by the Building Rules under the Local Bodies Act. The granting of a planning permit is contingent upon the applicant or developer, as well as the architects, licensed surveyors, and structural engineer involved in the development, ensuring that the developments are structurally sound and that adequate safety precautions are taken throughout the construction process.
2. It is the responsibility of the builders to ensure safe bearing capacity of the soil and adequacy of the foundations.
3. All of the aforementioned requirements should be satisfied in order to receive a clearance certificate from the Central/State Government.
4. "Urban Development Department has not legally confirmed the land ownership of the applicant by giving technical clearance. Before granting technical permission only the documents (deed, lease deed, lease, endowment, public power deed etc.) submitted with the applicant's application are verified as to whether the applicant is entitled to develop. Thereby it is initially seen whether the applicant has the right to develop. Any person who wishes to purchase the property must separately confirm the applicant's ownership of the property. And if any other individual claims the same, they can settle the same before a court of appropriate jurisdiction. The Department of Urban Development is not the appropriate body to decide this."
5. As per Tamil Nadu Combined Development Building Rules (TNCDBR 2019), the FSI (Floor Space Index), setback areas, and parking areas at the proposed construction site should be given in the Display Board at site premises.
6. Electrical wiring during construction in the proposed site should be erected by the approved Government Licensed holder.
7. The applicant shall adhere to the guidelines provided by the Department/Official in 16th, 17th and 18th reference cited.
8. Notice will be issued u/s 56 & 57 of T&CP Act, 1971. If any additional buildings constructed without approval.
