The image contains two technical drawings of a building. The left drawing is a facade elevation showing a structure with a flat roof supported by columns, a central double door, and two square windows. The right drawing is a section view showing the internal layout, including a staircase, a central corridor, and rooms with windows. It also shows the roof structure and external walls.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
