A diagram of a rectangular frame. On the left side, there is a vertical dimension line with arrows at both ends, labeled with the number 5.21. The frame consists of a large outer rectangle and a smaller inner rectangle, both with black outlines. The inner rectangle is positioned such that its top and bottom edges are aligned with the top and bottom edges of the outer rectangle, respectively. The left and right edges of the inner rectangle are shorter than those of the outer rectangle, creating a gap between them.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
