Body of the letter:

**Order:-**

Perambalur District, Perambalur Taluk/Panchayat Union, Elambalur Panchayat/Village, S.F. No. 27/18pt, [SIDCO Industrial Estate Plot No. 13, 14] has an extent of 810.00 sq.m in which the applicant has planned to construct an Industrial Building "M/S. Nivetha Furnitures Pvt. Ltd." with FSI Area of 760.95 sq.m (G+1). The proposed building site is already approved as SIDCO Industrial Layout vide this Office Approval No.01/2011. Hence, the site is earmarked as "ABCD" and Building plan Technical Clearance No: B.P./DTCP (P.D.) No.06/2022.

Details of the proposed Industry Building are as follows:

Total Site Area – 810.00 sq.m

| Description       | F.S.I Area<br>(in sq.m) | Non-FSI Area<br>(in Sq.m) | Total Area<br>(in Sq.m) |
|-------------------|-------------------------|---------------------------|-------------------------|
| Ground Floor Area | 304.95                  | 151.05                    | 456.00                  |
| First Floor Area  | 456.00                  | -                         | 456.00                  |
| Area of Head Room | -                       | 21.66                     | 21.66                   |
| Total             | 760.95                  | 172.71                    | 933.66                  |

Total FSI Area – 760.95 sq.m

FSI –  $0.94 < 1.5$

H.P. - 95.90

**Special Conditions:-**

1. Planning permission is granted in accordance with the Town & Country Planning Act's guidelines and any rules that have been made thereunder. It does not address structural stability issues, such as safety during construction, as those are dealt with by the Building Rules under the Local Bodies Act. The granting of a planning permit is contingent upon the applicant or developer, as well as the architects, licensed surveyors, and structural engineer involved in the development, ensuring that the developments are structurally sound and that adequate safety precautions are taken throughout the construction process.

2. It is the responsibility of the builders to ensure safe bearing capacity of the soil and adequacy of the foundations.

3. All of the aforementioned requirements should be satisfied in order to receive a clearance certificate from the Central/State Government.

4. "Urban Development Department has not legally confirmed the land ownership of the applicant by giving technical clearance. Before granting technical permission only the documents (deed, lease deed, lease, endowment, public power deed etc.) submitted with the applicant's application are verified as to whether the applicant is entitled to develop. Thereby it is initially seen whether the applicant has the right to develop.

Any person who wishes to purchase the property must separately confirm the applicant's ownership of the property. And if any other individual claims the same, they can settle the same before a court of appropriate jurisdiction. The Department of Urban Development is not the appropriate body to decide this."

5. As per TN Combined Development Building Rules (TNCDBR 2019), the FSI (Floor Space Index), setback areas, and parking areas at the proposed construction site should be given in the Display Board at site premises.

6. Electrical wiring during construction in the proposed site should be erected by the approved Government Licensed holder.

7. The applicant shall adhere to the guidelines provided by the Department in 16th reference cited.

**Conditions:-**

1) A solar water heating system needs to be installed for the proposed industrial building.

2) Parking area should be utilized for what it is indicated on the map.

3) The openings displayed on the plot must be placed appropriately.

4) Do not alter any deviations from the approved drawing that are in the building. If making changes, this authority's prior consent should be sought.

5) According to G.O. Ms. Nos. 18 and 16, Municipal Administration and Water Supply Department, dated: 04.02.2019 and 31.01.2020, respectively, rain water harvesting facilities as illustrated on

the map are to be implemented in the building.

6) According to G.O. Ms. Nos. 18 and 16, Municipal Administration and Water Supply Department, dated: 04.02.2019 and 31.01.2020, respectively, rain water harvesting facilities as illustrated on the map are to be implemented in the building.

7) Mosquito repellent should be installed in the plot's overhead tank and well for drinking water.

8) The proposed structure should include fire safety measures as required by law and fire extinguishers should be installed.

9) According to G.O. Ms. No. 341, Department of Municipal Administration and Drinking Water Supply (N.N.1), septic tanks must have U traps fitted as of 3.11.2004.

10) The Environmental and Forest Department recommends using "Fly Ash Bricks" and Materials during building.

11) In order to evacuate sewage under section 25 of the Tamil Nadu Pollution Control Board Act 1974, the proper permission must be obtained.

12) As per the G.O. Ms No. 255, Rural Development (C-2), Dated: 18.08.1997, Rural Building Development Rules, Industrial Building should be constructed.

13) To obtain consent of TNPCB under Water (Prevention & control of Pollution) Act, 1974 as amended and the Air (Prevention and Control of Pollution) Act, 1981 as amended.

14) The applicant's documents serve as the basis for the industrial building approval. The approval will be revoked immediately if the documents need to be corrected or are incorrect.

15) Building and equipment details must be kept up to date with the approved plan. The applicant should contact this office if there are any changes that are required.

16) As per the G.O. Ms. No. 17, Department of Housing and Urban Development, Dated: 05.02.2016. The following fees are paid by the applicant to the appropriate Government account head has been paid.

1. Scrutiny Fees – Rs.3,082.00/- paid on 17.11.2022.

2. Infrastructure and Basic Amenities Charges – Rs.1,43,068.00/- paid on 24.11.2022.

3. Display Board Fees – Rs.1,500/- paid on 24.11.2022.

4. Centage Charges – Rs.600/- paid on 24.11.2022.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
