APPROVAL TYPE

Building Plan

ISSUING AUTHORITY

Rural Panchayat

The approval as the planning authority issued it, reproduced in full behind this page.

An approval speaks to what was sanctioned, not to what was built. Completion is a separate record.

The drawing is a symmetrical architectural elevation of a two-story building. The central entrance features a decorative door with a cross-hatch pattern and a small set of stairs leading up to it. On either side of the entrance are windows with arched tops and multiple panes. The upper floor has a balcony with a brick railing and similar arched windows. The roofline is decorated with a pink and white diamond pattern. The ground level is marked with 'G.L.' and green circular patterns.

The plan shows the layout of walls, doors, and windows, with dimensions provided for each section.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
