APPROVAL RECORD

# Planning Permission

Tenkasi district, Tamil Nadu

APPROVAL TYPE  
**Building Plan**

ISSUING AUTHORITY  
**Rural Panchayat**

The approval as the planning authority issued it, reproduced in full behind this page.

An approval speaks to what was sanctioned, not to what was built. Completion is a separate record.

The figure consists of two parts: an elevation drawing at the top and a section drawing at the bottom.

**Elevation Drawing (Top):** Shows a three-story building facade. The central entrance has a small porch. The building has a mix of window types, including large rectangular windows and smaller square windows. The drawing is labeled with 'a' at the top left and 'b' at the top right.

**Section Drawing (Bottom):** Shows a cross-section of the building. The drawing is labeled with 'a' at the top left and 'b' at the top right. The section shows the internal structure, including the roof, walls, and floor. Dimensions are indicated with red and blue lines. Labels for various components are provided below the section:

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
