Planning Permission

Tenkasi district, Tamil Nadu

APPROVAL TYPE

Building Plan

ISSUING AUTHORITY

Town Panchayat

The approval as the planning authority issued it, reproduced in full behind this page.

An approval speaks to what was sanctioned, not to what was built. Completion is a separate record.

The site plan shows a rectangular building layout. The total height of the building is 9.22. The building is divided into three main vertical sections: a top section labeled 'K' with a height of 1.00, a middle section labeled 'H', and a bottom section labeled 'L' with a height of 2.53. A staircase is located within the bottom section 'L'. The building is situated on a plot bounded by PETHAMMAL to the left and SUBBIAH NADAR to the right. The building is adjacent to INDIRA WEST STREET, which is 3.66M WIDE. A north arrow is located in the top right corner, pointing towards the top of the page. The scale is indicated as 1:100.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
