As per Rule No.11 of Tamil Nadu Combined Development and Building Rules 2019:

The Permission granted by the competent authority shall not mean responsibility or Clearance of the Following aspects,

- (a) Title or Ownership of the site or Building
- (b) Easement Rights.
- (c) Structural Reports, Structural Drawing and Structural aspects. The Registered Architect or Registered Engineer and Structural Engineer on Record as the case may be, shall be responsible for defects in the design.
- (d) Workmanship, Soundness of Structure and Materials used.

- (e) Quality of Buildings Services and amenities the construction of Building.
- (f) Other requirements or Licenses or Clearances required for the site or premises or activity under various other Laws.

Special Conditions:

1. It is the responsibility of the builders to ensure safe bearing capacity of the soil and adequacy of the foundation.
2. Conditions mentioned in the No Objection certificates obtained from the central and state Govt. Departments must be followed scrupulously.
3. Technical Concurrence is issued in accordance with the provisions of the Town and Country Planning Act and the rules made there under and do not cover the structural stability aspects including the safety during the construction which are covered under the Building Rules under the Local Bodies Act. Technical Concurrence is “issued subject to the condition that the applicant/ developer and also the architects/Licensed Surveyors and the Structural Engineer associated with the development shall ensure that developments shall be structurally sound and adequate safety measures are taken during the process of construction.
4. Applicant should obtain consent from Tamil Nadu Pollution control Board under Section 25 of the Water Act 1974 for discharge of sewage.
5. According to the Circular No. 12544/14 / CB dated: 04.07.2014 stating that, The Directorate of Town and Country Planning Department has not legally certified the title of the ownership by granting technical clearance or

Technical Concurrence. Only the applicant's entitlement to develop is verified in the documents submitted with the applicant's application (lease deed, sale deed, gift deed, etc). Any person wishing to purchase the property must individually assert ownership of the property to the applicant. Also, if anyone else dispute arises individual rights over it, they can settle it before the appropriate competent court. The Directorate of Town and Country Planning Department is not the suitable organization to decide this.

6. The provisions in the G.O (Ms) No.17, Housing and Urban Development (UD4(3)) Department dated : 05.02.2016 relating to installation and use of solar energy system should be followed.
7. It is only the responsibility of the builders to ensure the stability of the Building.

Conditions:

1. Solar Water Heating System should be installed in the Proposed Construction of “M/s. Mamparampil Tyre Tech LLP” Industrial Building.
2. Parking as suggested in the building should be utilized as it is in the approved Building plan.
3. The Openings shown on the plot should be fixed accordingly as seen on the plan sanctioned and mentioned therein.
4. The Proposed Construction of “M/s. Mamparampil Tyre Tech LLP” Industrial Building shall be built without change of use or any deviations. If any deviations/additions or changes in plan is required, revised plans shall be submitted and new Technical Concurrence should be obtained. In case of

failure, action will be taken under section 56 of Tamil Nadu Town and country planning Act 1971.

5. Rain water harvesting facilities as shown in the Approved building plan must be implemented as per G.O. No.18, Department of Municipal Administration and Water Supply, Dated: 04.02.2019.
6. Builder should provide adequate drinking water facility and a separate vehicle should be used to discharge the sewage water from the proposed commercial building by his own expenses.
7. The drinking water over head tank should be equipped with preventive measures.
8. Fire prevention and fire fighting equipment should be provided in the proposed construction as required by law.
9. As per G.O. No.341, Municipal Administration and Water Supply, Department Dated: 03.11.2004, “U” Trap should be installed in septic tank.
10. Fly ash Bricks and Materials should be used in the proposed building as per Environment and Forest Department Notification.
11. G.O.17, Housing and Urban Development Department, Dated: 05.02.2016, Solar Photo Voltaic Panels should be installed at least 1/3 of the upper floor area for one Kilowatt of electricity.
12. Final Building Approval order shall be obtained from The President, Gangaikondan Village Panchayat, Tirunelveli District.
13. If any of the details given in the application for Technical Concurrence is found to be incorrect, this order will be cancelled and legal action will be taken.

14. Government Registered Electrical Contractor must be employed for wiring works during construction.

15. The concerned local body should ascertain whether there are any pending court cases against the proposed site before issue of final approval.
