 &= 0.422 < 2.0
 \end{aligned}$$

As per Rule No.11 of Tamil Nadu Combined Development and Building Rules 2019:

The Permission granted by the competent authority shall not mean responsibility or Clearance of the Following aspects,

- (a) Title or Ownership of the site or Building
- (b) Easement Rights.
- (c) Structural Reports, Structural Drawing and Structural aspects. The Registered Architect or Registered Engineer and Structural Engineer on Record as the case may be, shall be responsible for defects in the design.
- (d) Workmanship, Soundness of Structure and Materials used.
- (e) Quality of Buildings Services and amenities the construction of Building.
- (f) Other requirements or Licenses or Clearances required for the site or premises or activity under various other Laws.

Special Conditions:

1. It is the responsibility of the builders to ensure safe bearing capacity of the soil and adequacy of the foundation.
2. Conditions mentioned in the No Objection certificates obtained from the central and state Govt. Departments must be followed scrupulously.
3. Planning Permission is issued in accordance with the provisions of the Town and Country Planning Act and the rules made there under and do not cover the structural stability aspects including the safety during the construction which are covered under the Building Rules under the Local Bodies Act. Planning Permission is issued subject to the condition that the applicant/developer and also the architects/Licensed Surveyors and the Structural Engineer associated with the development shall ensure that developments shall be structurally sound and adequate safety measures are taken during the process of construction.
4. Applicant should obtain consent from Tamil Nadu Pollution control Board under Section 25 of the Water Act 1974 for discharge of sewage.
5. According to the Circular No. 12544/14 / CB dated: 04.07.2014 stating that, The Directorate of Town and Country Planning Department has not legally certified the title of the ownership by granting technical clearance or planning permission. Only the applicant's entitlement to develop is verified in the documents submitted with the applicant's application (lease deed, sale deed, gift deed, etc). Any person wishing to purchase the property must individually assert ownership of the property to the applicant. Also, if anyone else dispute arises individual rights over it, they can settle it before the appropriate competent court. The Directorate of Town and Country Planning Department is not the appropriate organization to decide this.

6. The provisions in the G.O (Ms) No.17, Housing and Urban Development (UD4(3)) Department dated : 05.02.2016 relating to installation and use of solar energy system should be followed.
7. As per TNCDBR 2019 Norms specified in Annexure IX shall be followed for Hospital building.
8. Set back area should be free of any obstruction, such as fountains, statues, flower pots, decorative idols, ramps etc. to facilitate movement of vehicle and people during emergency.
9. Minimum of two large 'louvered windows' (with adequate safety provision) shall be provided in each floor for easy evacuation of persons, wherever the building is fully glazed.
10. Fire Lifts with alternate power supply outside the building shall be provided.
11. Fire fighting training shall be given for selected employees in each hospital.
The Hospital Authorities shall approach the Directorate of Fire & Rescue Service Department (DF&RS) for imparting such training.
12. Regular mock drills shall be conducted once in every six months with the help of DF&RS to ensure effective functioning of all safe guards built for fire and life safety.
13. All Government / Private hospitals shall display in suitable places, within the premises, declaration enlisting the safety measures and escape routes provided in the hospital. This declaration should be displayed on a board in Tamil and English.
14. It is only the responsibility of the builders to ensure the stability of the Building.
15. As per Rule No. 9(1)(f) of Tamil Nadu Combined Development and Building Rules 2019, Before the Commencement of the Building work at

site for which building permission has been granted, the owner shall within the validity period of building permission give notice to the authority, of his intention to start the work at the building site in Form.2 in Annexure – XIV. And also when the building construction reaches the Basement Level; Progress Certificate Form -3 should be submitted as per rule no.9 (2)(b).

16. According to G.O No 18 Municipal Administration and Water Supply Department, Dated. 04.02.2019, Construction continuation certificate should be obtained from this office for the planning permission approved building at the time of Plinth Level itself. After Completion of the building works at site, the Completion Certificate to be obtained from this Department by the applicant. By getting the Completion Certificate only, the builder can have regular utility connections.

Conditions:

1. The planning permission is valid for eight years from the date of issue. Period of Planning Permission will be from 11.03.2025 to 10.03.2033 (8years).
2. Solar Water Heating System should be installed in the Existing / proposed Hospital and House Building.
3. Parking as suggested in the building should be utilized as it is in the approved Building plan.
4. The setback spaces should be fixed accordingly as seen on the plan sanctioned and mentioned therein.
5. The Existing / proposed Hospital and House Building should be built without change of use or any deviations. If any deviations/additions or changes in plan is required, revised plans shall be submitted and new Planning Permission should be obtained. In case of failure, action will be

taken under section 56 of Tamil Nadu Town and country planning Act 1971.

6. Rain water harvesting facilities as shown in the Approved building plan must be implemented as per G.O. No.18, Municipal Administration and Water Supply Department, Dated:04.02.2019.
7. Builder should provide adequate drinking water facility and a separate vehicle should be used to discharge the sewage water from the proposed Hospital and House Building by his own expenses.
8. The drinking water over head tank, well and Bore well located in the plot should be equipped with preventive measures.
9. Fire prevention and fire fighting equipment should be provided in the proposed construction as required by law.
- 10.As per G.O. No.341, Municipal Administration and Water Supply Department, Dated: 03.11.2004, “U” Trap should be installed in septic tank.
- 11.Fly ash Bricks and Materials should be used in the proposed building as per Environment and Forest Department Notification.
- 12.G.O.17, Housing and Urban Development Department, Dated: 05.02.2016, Solar Photo Voltaic Panels should be installed at least 1/3 of the upper floor area for one Kilowatt of electricity.
- 13.Final building Approval order should be obtained from the Commissioner, Tirunelveli City Municipal Corporation.
- 14.If any of the details given in the application for planning permission is found to be incorrect, this order will be cancelled and legal action will be taken.
