APPROVAL RECORD

Planning Permission

Tirunelveli district, Tamil Nadu

APPROVAL TYPE

Building Plan

ISSUING AUTHORITY

Rural Panchayat

The approval as the planning authority issued it, reproduced in full behind this page.

An approval speaks to what was sanctioned, not to what was built. Completion is a separate record.

LOCATION PLAN (NOT TO SCALE)

The location plan shows the site's context within a street network. A central vertical street, labeled "STREET", runs north-south. To the west of this street, a horizontal street labeled "STREET" intersects it. To the east, another horizontal street labeled "STREET" intersects it. Further south, another horizontal street labeled "STREET" intersects the central street. The proposed house (PRO) is located on the east side of the central street, between the two horizontal streets. Existing houses (EX HOUSE) are located at various points: three on the west side of the central street (one north of the top horizontal street, and two south of it), and several on the east side (one north of the top horizontal street, one between the top and middle horizontal streets, one south of the middle horizontal street, and one south of the bottom horizontal street). A north arrow is located in the top right corner, and a scale bar is located in the bottom right corner.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
