ISSUING AUTHORITY

Rural Panchayat

The approval as the planning authority issued it, reproduced in full behind this page.

An approval speaks to what was sanctioned, not to what was built. Completion is a separate record.

The site plan shows a rectangular plot with a width of 9.20 and a total length of 24.20. The building, labeled 'Proposed Building', is a large rectangular structure with a width of 19.36 and a height of 19.36. It is divided into a grid of smaller rectangular units. To the right of the building is a 'CAR PARKING' area, which is a large rectangular area with a width of 19.36 and a height of 19.36. The parking area is divided into two sections: a larger section with a width of 19.36 and a height of 19.36, and a smaller section with a width of 19.36 and a height of 19.36. The parking area is also divided into a grid of smaller rectangular units. The plan includes various dimensions and labels for the building, parking, and surrounding areas.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
