The technical drawing illustrates the design of a septic tank. The top view, labeled 'SECTION B-B'', shows a rectangular tank with a width of 2.80. It features an 'AIRVENT' at the top center, an 'INLET' on the right side, and an 'OUTLET' on the left side. Two 'GL' (glass) gauging points are indicated on the left and right walls. The bottom of the tank is shown with a hatched pattern, representing a sloped floor. Below this section is the 'PLAN' view, which shows the overall dimensions of the tank: a width of 3 and a depth of 2.5. The plan view includes a double-line rectangular outline representing the tank's footprint. The section line 'B-B'' is indicated by a horizontal line with arrows at both ends, passing through the center of the tank.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
