DIGITALLY VERIFIED RECORD

File No. TNRERA/PLF/4768/2026 PLOT NO. 85 TO 89

Message: In sale Deed the old survey numbers are mentioned as 152/1,152/3,148/5,152/4. But in TSLR the survey numbers mentioned as 152/1,152/3,148/5,152/4,151/2pt & 154/4. Kindly clarify the same.

Ans: Mam, The above said survey numbers have correlations certificate in the existing layout. This is file only have one survey No. 152/4 which have in both Sale Deed and Patta (TSLR) Therefore, my suggestion that there is unnecessary to find out the other survey numbers which make waste of our time to issue the form "C". The said file is sub-division of plot which becomes from the existing registered form "C" . Please verify only the related Survey NO. 152/4 and issue form "C" at the earliest.

Note : - 1. Even though, I attached the co-relationship certificate for the all the survey numbers for your kind reference.

2. EC entries have morethan 200 numbers therefore take the EC by part to part of dates from 01.01.2025 to 12.08.2026. Please check the dates wise from the beginning entries.

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
