Respected Sir/Madam,

I am to inform you that, the **Approved Revised schedule is attached for 444th 447th & 448th State Expert Appraisal Committee to be held on 09.02.2024(Friday), 22.02.2024(Thursday) & 23.02.2024(Friday) respectively at 11:00 A.M at SEIAA Conference Hall 2nd Floor, Panagal Maligai, Saidapet, Chennai-600015.**

NABET Consultants are instructed to present the PPT through Offline only.

Further, I request you to make a PowerPoint presentation on the project covering the site details, salient features of the project and the related Environmental issues including EMP as may be envisaged based on the project profile and the site details and clarify any queries raised by the Committee during the discussion.

It is informed that only the accredited Environmental Consultants of the respective sector listed in the MoEF, Govt. of India O.M.No.J-11013/77/2004-IA II (I), dated: 30.09.2011 (available on Ministry's website http//www.envfor.nic.in) will alone be permitted to present before SEAC.

Further, the project proponent is requested to send the PowerPoint presentation along with salient features of the proposal well in advance before the meeting through this Email seactn2022@yahoo.com & respective unit officer's e mail given below. The Hard copy of the same shall be submitted to all committee members during SEAC meeting.

NABET consultants are strictly instructed to include all survey numbers in PPT and

land acquisition details should be provided clearly in PPT.

Consultants are strictly instructed to send the PowerPoint presentation without fail, failing which the project will not be appraised in the meeting.

NOTE TO EIA COORDINATORS

1. Reply to the points raised by SEIAA should be furnished in a tabular format as under. References to EIA/PFR should invariably be given with page number, etc.

Sl.No.	SEIAAQUERY	REPLY	REFERENCE

Sl.No.	EDS/ADSQUERY	REPLY	REFERENCE

2. The power point presentation should be uploaded in Parivesh Portal and **the presentation has to be made from the PPT uploaded in Parivesh. Presentation made from pen drive/external hard disk will not be allowed.**
3. All the reply for ADS raised during committee shall be uploaded in the Parivesh Portal. Only upon the submission of ADS reply in Parivesh Portal, the subject will be placed before committee for appraisal.
4. Thus, you are advised to submit the additional documents/ information within a period of 30 days failing which your proposal will automatically get delisted from the list of pendency at PARIVESH portal.
5. In the power point presentation, all facts and data mentioned should be referenced to EIA report already furnished with page numbers.
6. The EIA Coordinator shall furnish the copy of the Form 1 submitted along with mining plan, in case of mining activity.
7. In case of mining proposal, RQP who is prepared the mining plan shall attend the meeting
8. Hard copies of the relevant portions of EIA Report in respect point 2 above should be circulated to all the expert members before making presentation.
9. In respect of ADS, replies must be given in a tabular form and sent to all the Members through email well in advance. Hard copy of the same should also be given to Members in the meeting.
10. The EIA coordinator shall furnish the details of Reserve Forests, Protected Areas, Sanctuaries, Tiger reserve etc., upto a radius of 25 km from the proposed site, after obtaining the details from the concerned DFO. The coordinator shall also state clearly that the proposed activity is not prohibited interms of any Government orders/Notifications related to Reserve Forest/Protected Area/Sanctuary/Tiger reserve.
11. Proposals of proponents defaulting in any of the above 10 requirements will not be taken for up consideration.

12. For construction projects concerned Architect should accompany with EIA coordinator during the meeting.
13. For construction projects, an undertaking as below should be submitted.
    - The proposed construction will conform with IGBC Platinum/Gold norms and IGBC certification will be obtained before CTO.
    - We assure that we are liable for the operation and maintenance of STP for a period of 10 years from operation of the project.
    - Provision of hot water will be met from Solar Water Heaters.
    - 50% of the roof coverage should be specifically allocated for solar panels and should be used for the generation of solar energy.
    - We also assure that the storm water drain would not carry any untreated or treated sewage.
    - We also assure that our project site does not encroach any water bodies such as rivers, canals, nallas, lakes, ponds, tanks, etc., from its original boundary.
    - We assure that a temple pond in OSR will be maintained and surplus rainwater runoff will be drained in to the pond.
    - We assure that the pavements/parking pavements will be green/permeable pavements.
    - We assure that the CER activities will be completed as per the action plan submitted.
14. For B2 Rough Stone projects, the first slide of the PPT should be in the following format.

<table>
<tr><th colspan="5">NAME OF THE PROPONANT</th><th colspan="4">NAME OF EIA COORDINATOR</th></tr>
