Subject: Request to Consider Compressed Drone Photo and Process the File

Dear Sir,

I would like to request you to kindly check the drone photographs once again. The original drone photo files are very large in size, and hence, we had to compress them before attaching them. Due to the large file size, the files were not getting uploaded otherwise.

Even after compression, most of the details are reasonably visible. I request you to kindly review the photos considering the file-size limitation.

I have also attached the GPS photographs and the requested letter for your reference. Since this has been pending for quite some time, I kindly request you to consider the available documents and help us clear the pending process.

I kindly request your support and consideration.

Thank you.

K. Kesavan
