Subject: Confirmation regarding Public Purpose Land earmarked for Village Panchayat and insufficiency of (17 sq.m.) for construction of Overhead Water Tank (OHT).

Respected Sir,

With reference to the approval of our layout project **ABI's HORIZON ENCLAVE**, situated at **Survey No 1405/3B & 1405/4B of Thaiyur 'B' Village, Thaiyur Panchayat, Thiruporur Panchayat Union and Taluk of Chengalpattu District**, we submit the following for your kind consideration:

1. As per the approved layout, an extent of **17.60 square metres** has been earmarked and handed over as **Public Purpose Land** to the **Village Panchayat** for public use.
2. We respectfully submit that the above extent of **17.60 sq.m.** is **not sufficient for the construction of an Overhead Drinking Water Tank (OHT)** required for the village water supply scheme.
3. Generally, the construction of an OHT requires a substantially larger area to accommodate:
    a) Foundation and staging of the tank;
    b) Pump room and valve chamber;
    c) Access for operation and maintenance;
    d) Safety clearance and future maintenance requirements.
4. Even the smallest practical village OHT typically requires a site area significantly larger than **17.60 sq.m.** Therefore, the land presently earmarked cannot feasibly accommodate an overhead water tank.

We submit this letter for your kind information and help us to get the project registered in TNRERA office.

Thanking you.

Yours faithfully,

For ABI Realtors Private Limited

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
