Body:

LAYOUT CONDITIONS

1. Alteration of plot sizes, road pattern, sizes, dimensions of public reservations and further subdivision of

the plot contrary to the Layout Plan approved by the Town and Country Planning department shall not be done without the prior approval of the District Body Town and Country Planning department.

2. The corners of the plots located at the junction of two roads should be laid with the splay as shown on the approved Layout Plan.

3. No plot shall be sold, leased or transferred in any other means or to build to build any construction on any plot before conforms Body to the above two conditions.

4. The plots shown in approved Layout plan should be used only for the construction of residential houses other than the plots selected for public purposes. Also, only in those places where the change is plot land use is requested those developments mentioned in Residential use zone as per TNCDDBR - 2019 should be allowed by the local body only after obtaining the prior concurrence of the town and country department.

5. If a low tension / high tension power line / telegraph line is present through the plots, the line should be shifted to the edge of the road or as shown on the approved Layout Plan.

6. The low laying part of the layout area should be raised to street level

7. On all streets exceeding 7.2 meters in width, shading type trees shall be planted in symmetrical type within 1.00 meters from boundary and not more than 9.00 meters in length, of the road.

8. The applicant must obtain final approval regarding the plots/ Layout from the concerned Local Body. Also, before constructing any buildings in the plots, the applicant should be obtained necessary permission from the Town and Country Planning department or the Local Body Office concerned.

9. a) As only planning permission / concurrence has been given to the said plot by the District Town and Country Planning Office. If any problem arises regarding the ownership of land for the plot, it should be considered and decided by the local body.

b) When the said plots are approved by the Local Body, a copy of the approval should be sent to this office, along with a copy of certificate / Acknowledgement (gift deed document) of handover of the public open spaces to the local body concerned

10. Once the applicant receives the approval of the layout plan from the district Town and country planning office, the approved layout plan shall be permanently displayed at the entrance of the layout without any change / and compete details for public view through a 60cm x 120cm permanent display board along with the details of resolution number and date of the layout.

11. The Land ownership is considered as per the land ownership documents submitted by the applicant. Therefore, it is also submitted that no right can be asserted on the ground that layout has been approved where there is no actual title to the land.

12. If the Documents provided for the land ownership and others documents submitted for consideration are found to be incorrect if there is a situation where the Planning Permission / Concurrence approval for the plot might be affected, the planning permission/ concurrence granted to the layout will be cancelled by the District Town and Country Planning department without any prior notice.

13. A copy of the plan approved by the District Town and Country Planning Department along with a copy of this order shall be compulsorily provided to the purchasers while the plots are sold.

14. The local Body may issue the final order only after conferring that the applicant applied for bulk sub division.

15. A Separate Drainage Should be Construct for Rain Water Storm in the layout and end Point Should be finished with Vertical Soak pit.

16. All Water Supply works must be done in the Layout because Layout is faraway from the

Actual

Panchayat. Water Supply Works Like

Extension of Pipeline, Drilling of Borewell, Pipe Connection to the existing Main Pipeline of Our Panchayat.

17. Separate Drainage Should be Constructed for Rain Water Storm in the layout and end Point Should be Connected to Vertical/Horizontal Soak pit.

18. Location of the Panchayat is far away from the layout hence adequate water facilities like construction of OHT, providing borewell and Extension of Pipeline must be provided for all households in the layout.

Eight ways to know a piece of land before you pay for it.

This report covers one part of the picture. These cover the rest, drawn from the same government records, for any property in Tamil Nadu.

LandLens One

Ask anything about a property and get an answer grounded in live government records, with the sources shown.

[/landlens/one](#)

Verify My Land

Every record check run on one property and returned as a single report.

[/landlens/verify-my-land](#)

Legal Opinion

An advocate's written opinion on the title, built on the records we pull for it.

[/landlens](#)

One Map

Every layer on one map: the parcel, its boundary, zoning, water bodies and what sits around it.

[/landlens/one/map](#)

PriceMap

What land actually changed hands for around this plot, taken from the registered deeds.

[/landlens/pricemap](#)

Build Scope

What you are allowed to build here: floor space, height, coverage and setbacks.

[/landlens/build-scope](#)

Property Tracker

Watch a property and hear about it when something new is registered against it.

[/landlens/property-tracker](#)

Deal Room

Run the transaction in one place: documents, stamping, signatures and the parties.
