GUIDELINES FOR CONSTRUCTION AND DEMOLITION WASTE MANAGEMENT

In exercise of the powers conferred under section 199 of TNULB ACT 2023 and the Construction & Demolition Waste Management rules, 2016 and in order to ensure effective Construction & Demolition Waste Management in the Corporation of Chennai, the council hereby makes the Construction and demolition waste management Guidelines 2025.

1) **Waste Generator:** is defined by the C&D Rules as any person or association of persons or instructs residential and commercial establishments including Indian railways, airport, port and harbour and defence establishments who undertakes construction or demolition of any civil structure which generate C&D Waste. For this purpose "waste generators" shall be divided into four types and the definition for different types of waste generators are follows.

   i. **Micro generators:** The small generation who occasionally generate C&D Waste less than 1 MT from minor house repairs, broken ceramic sanitary ware like tiles, bathtubs, commodes, washbasins etc.

   ii. **Small Generators:** Those that generate C&D waste during building renovation, remodeling or repairor maintenance works etc. where the total amount of C&D Waste generated in the entire project is more than 1 MT and less than 20 MT per day.

   It is clarified that if the project generates (a) an aggregate of 300 MT of C&D Waste per month and/or (b) pertains to demolition work covering an area equal to or more than 600 square metres, and/or (c) construction or building repair work covering an area equal to or more than of 6000 square metres, the waste generator will not be considered as a "Small Generator" and will have to comply with the requirements of a "Bulk waste generator"

   iii. **Bulk waste generators:** Waste generators who generate (a) 20 MT or more in one day or 300 MT per project in a month as identified separately in the C&D Rules and/or (b) demolition work covering an area equal to or more than 600 square metres, and/or (C) construction or building repair work covering an area equal to or more than 6000 square metres. They shall dispose the C&D waste at the processing location.

C and D waste but sent separately to TNPCB authorized recyclers or to hazardous waste disposal sites at their own cost and furnish proof of compliance whenever demanded.

Non compliance of getting Constructions and Demolition Waste Management plan and payment of user charges will attract the penalties.

It is Inevitable to penalize those who generate Construction and Demolition waste who do not comply with the one mentioned frame work.

LIST OF APPROVED CONSTRUCTION& DEMOLITIONWASTE MANAGEMENT SITES DESIGNATED BYGCCFOR PROCESSING

Zone	Division	Name of the Facility & Address	Zones covered
4	37	Construction and Demolition waste processing facility, Kodungaiyur Dumping Ground	Zones 1 to 8
14	184	Construction and Demolition waste processing facility, Perungudi Dumping Ground	Zones 9 to 15

ILLUSTRATIVE RATES FOR SERVICE CHARGES

Part I – Service Charges payable by Waste Generators except Bulk waste Generators

S.No	Type of Waste Generators (excluding bulk waste generators)	Service charges in INR
1	For collection and Transportation of C&D waste	1. Upto 1000 kg – free of cost 2. Rs. 2500.00 per 1MT (above 1MT and less than 20 MT) if GCC service requires.

* These rates are indicative and, in the event, the GCC wants to change the Service fee from the above-mentioned rates due to any reason, it should cover the following costs for the GCC and /or private service provider on an aggregate basis:

1. Loading of C&D waste (manpower and equipment such as JCB) and Transportation costs from waste generation point to C&D waste collection centres / waste processing facilities (i.e fuel, maintenance costs of the vehicles and manpower) @ Rs.2500/- per MT
2. Costs of processing C&D Waste at the processing facilities @ Rs.800/- per MT

THE LANDLENS SUITE

Eight ways to know a piece of land before you pay for it.

This report covers one part of the picture. These cover the rest, drawn from the same government records, for any property in Tamil Nadu.

LandLens One
Ask anything about a property and get an answer grounded in live government records, with the sources shown.
/landlens/one

Verify My Land
Every record check run on one property and returned as a single report.
/landlens/verify-my-land

Legal Opinion
An advocate's written opinion on the title, built on the records we pull for it.
/landlens

One Map
Every layer on one map: the parcel, its boundary, zoning, water bodies and what sits around it.
/landlens/one/map

PriceMap
What land actually changed hands for around this plot, taken from the registered deeds.
/landlens/pricemap

Build Scope
What you are allowed to build here: floor space, height, coverage and setbacks.
/landlens/build-scope

Property Tracker
Watch a property and hear about it when something new is registered against it.
/landlens/property-tracker

Deal Room
Run the transaction in one place: documents, stamping, signatures and the parties.
