PWD STIPULATIONS AND CURRENT WORK STATUS

S.No	**Conditions of PWD Vide CE, WRD, Chennai Region, Chepauk, Chennai-5, Letter no. DB/T5(3)/F-Noc.7951 Kuthambakkam Village 9371/2025, Dated:23.10.2025, are to be complied by the Applicant before Sanction of the Layout.**	**Status of the Conditions**
1	The existing ground level of the site should be raised to minimum level of (+)37.990m (i.e)5 .300m above the known datum at crest level of Padur Tank (e) 32.690m and the applicants' site with filling level varies from 0.770m to 1.060m with layers of not more than 0.30metre depth to achieve required degree of compaction to the entire area of the applicant's land to avoid inundation during the heavy rains Also, the applicants should provide emergency pumping operation for the seepage water, if it is proposed to have basement floor and as well as de watering arrangements during flood periods. The all round pavement level within the site should not be less than (+)37.990m and the applicant is suggested not to have regular habitation below road level.	**IN PROGRESS. WILL BE COMPLETED BEFORE 19-02-2028**
2	The applicants should clearly demarcate the boundary of their land before the commencement of any developmental activities in the presence of Revenue and WRD authorities concerned without fail and should not encroach the government land and the same should be maintained as it is in the revenue records if any damages occurred in the tank and it should be restored to its original condition at their own cost.	**AGREED TO COMPLY WITH THE CONDITION**
3	The WRD officers should be allowed to inspect the site at any time, during execution and thereafter, if necessary. Advance intimation should be given to the WRD officers concerned before commencement of work.	**AGREED TO COMPLY WITH THE CONDITION**
4	The applicants should abide by the rules and regulation of the WRD from time to time. The applicants should also abide court of law and act of both State & Central Government from time to time.	**AGREED TO COMPLY WITH THE CONDITION**
5	WRD is giving opinion only in connection with the inundation aspect and does not deliver any rights to the applicants to encroach the WRD/Government Lands /liver The NOC for this site from the WRD is purely issued on the basis of inundation point of view.	**AGREED TO COMPLY WITH THE CONDITION**
6	The permission will be cancelled without any correspondence. Hence the applicant is solely responsible of genuinety of the documents submitted. The permission granted to the applicant should Not be altered / modified / changed to any others. Based on the records submitted by the applicants permission is granted. If any documents seem to be fake/manipulated/fabricated. In future the above permission will be cancelled without any correspondence. Hence the applicant is solely responsible of genuinety of the documents submitted.	**AGREED TO COMPLY WITH THE CONDITION**

S.No	Conditions of PWD Vide CE, WRD, Chennai Region, Chepauk, Chennai-5, Letter no. DB/T5(3)/F-Noc.7951 Kuthambakkam Village 9371/2025, Dated:23.10.2025, are to be complied by the Applicant before Sanction of the Layout.	Status of the Conditions
	Technical Suggestions	
a)	The applicant should prepare the layout proposal by considering the suitable internal storm water drainage network as micro drains of suitable size within the site as per site condition The same should be connected to the local drain / channel, rainwater harvesting, roads with road side drain and sewerage treatment and its disposal and garbages/debris and other solid waste management as per norms in existence within the applicant's land according to existing rules in force and should get proper approval from competent authority without fail. The sewage or any unhygienic drainage (Treated or Untreated) should not be let into drain / channel / course at any cost and the debris and other materials should not be dumped into the drain/surplus course obstructing free flow of water. The applicants should make drainage network, at their own cost and the same is to be connected to natural storm water drainage / channel. There should not be any hindrance to the free flow of internal drain to downstream.	**AGREED TO COMPLY WITH THE CONDITION**
b)	The necessary setback distance within the site as per site condition as per the norms in existence and as per the rules in force of CMDA (as per the circular issued by the office of the Commissioner of Town & Country Planning, Chennai - 2 vide Roc. No 4367/2019-BA2/Dated: 13.03.2019) during development and there should not be any construction activities in future also, the CMDA should issue completion certificate only after obtaining compliance certificate NOC from WRD	**This condition is not applicable since this is Layout Project and not a construction project.**
c)	The applicants should get clearance certificate for their site from the Revenue department to make sure that the site is not an encroached property from the water body as well as confirming this proposed site boundaries.	**AGREED TO COMPLY WITH THE CONDITION**
d)	The sewage water from the applicants' land should not let into the drain and for the disposal of the sewage water, suitable arrangements should be made for the same by the applicants and as well as the construction materials/debris garbages should not be dumped into the River/En/Channel/Pond at any cost. At any cost, sewage / sullage should not be let into Channel/ tank/kulam and the garbages debris and construction materials should not be dumped into the Channel/tank/kulam restricting the free flow of water	**AGREED TO COMPLY WITH THE CONDITION**
