Dear Sir/Madam,

As per the DTCP approval Plan, we have formed the road and the land porting observed between the Panchayat road and the Layout out road belongs to State highways, which we cannot lay road in state highways. Hence it is kept blank and not formed road in that intermediate portion. Please consider this and I request you to provide the RERA certificate for my layout at the earliest.

Thanks and Regards,

D. Subramanian

Prepared from the registers named on the page each finding sits on. Where a register could not be read, this document says so in its place rather than leaving the gap to be read as a clean result.
